Dear Member

## Cairo Tour & Nile Cruise November 2008

Although we tried to organise a tour of the Western Desert a few years ago, we have not offered to our members a tour to the more popular parts of Egypt.

Our Executive Committee member, Mr. Wagdy Soliman, has put together the following very attractive itinerary and I shall be grateful if you will advise me if it is of interest before we commit ourselves to organising the trip.

Can you please send me the tear off slip at the bottom of this message (or email to me) to indicate your interest?

**This does not commit you at this time.**

Please bear in mind that although the trip is in November, we need to book in advance to guarantee the negotiated prices.

If you do decide to join the tour, we will need to know the exact name in your passport and whether or not you will be making your own visa arrangements.

The proposed trip is:
