Dear Member

Dr. John Jenkins CMG

Immediately following our Annual General Meeting at the Egyptian Cultural Centre on 21st May 2008 there will be a talk by Dr. John Jenkins, Director Middle East and North Africa at the Foreign Office.

Dr. Jenkins is a career diplomat and his appointments have included being Her Majesty's Ambassador to Burma, Her Majesty's Consul General in Jerusalem and Deputy Head of Mission in Kuwait . Prior to becoming Director Middle East and North Africa he was Her Majesty's Ambassador to Syria.

He is a distinguished and excellent speaker and we are fortunate that he has made time available to be with us so I am hoping for good support from our membership.

Yours sincerely

Noel Rands
Secretary
